

# Degrees & Awards

*This section can be used for finding:*

- *the number of degrees and certificates awarded annually since ACC began.*
- *the number of degrees and certificates awarded by program area over the past five years.*
- *the number of students who successfully completed ACC's core curriculum.*

## Useful Terms

**Associate of Applied Science (AAS)** - degree awarded to students who successfully complete the prescribed courses in any of the occupational-technical programs.

**Associate of Arts (AA)** - degree awarded to students who complete at least 60 semester credit hours that include 6 hours of English, 6 hours of American government, 6 hours of US history, 8 hours of a single foreign language, and the prescribed courses listed in one of the areas of concentration.

**Associate of Arts in Teaching (AAT)** - degree awarded to students who complete one of three degrees aimed at those who wish to become certified teachers.

**Associate of Science (AS)** - degree awarded to students who complete at least 60 semester credit hours that include 6 hours of English, 6 hours of American government, 6 hours of US history, 6-8 hours of science, and the prescribed courses listed in one of the areas of concentration.

**Certificate** - awarded to students who complete one of the approved certificate programs.

**Core Curriculum** - ACC's core consists of 42-hours of general education courses in English, communications, mathematics, natural science, humanities, visual and performing arts, government, history, and an additional social and behavioral science.

**Degree** - an award given as official recognition for the successful completion of a program of studies.

**Field of Study Curriculum** - intended to facilitate the free transferability of lower-division academic courses among Texas public colleges and universities.

## Programs of Study Fall 2007

The educational programs of Austin Community College include workforce programs and academic/transfer programs. The workforce programs are designed to meet the increasing demand for skilled technicians and paraprofessionals for employment in industry and business. ACC awards both Associate of Applied Science (AAS) degrees and certificates in workforce programs. Associate of Arts (AA), Associate of Arts in Teaching (AAT), and Associate of Science (AS) degrees are awarded as transfer degrees and correspond to the first two years of a baccalaureate program at four-year institutions.

The programs and program areas in which Austin Community College offers courses include the following:

### Associate of Arts (AA) Programs

Anthropology  
 Art  
 Creative Writing  
 Dance  
 Drama  
 Economics  
 English  
 Foreign Language  
 General Studies in Liberal Arts  
 Geography  
     Geographic Information Systems  
     Geography  
 Government  
 History  
 Journalism  
 Music  
 Philosophy  
 Psychology  
 Radio-Television-Film  
 Social Work  
 Sociology  
 Speech

### Associate of Arts in Teaching

Education  
     8-12 Grade Levels  
     EC-4 + 4-8 Grade Levels  
     EC-4 Grade Levels-Early Childhood Specialization

### Associate of Science (AS) Programs

Anthropology  
     Archaeology  
 Biology  
 Business Administration  
 Chemistry  
 Computer Science  
     Computer Science  
     Computer Information Systems  
 Engineering  
 Environmental Studies  
 General Studies in Science  
 Geology  
 Health and Kinesiology  
     Health  
     Kinesiology  
 Mathematics  
 Physics  
 Pre-Dental/Pre-Medical/Pre-Pharmacy/Pre-Veterinary

**Associate of Applied Science (AAS) Programs**

- Accounting
  - Accounting Specialist
  - Accounting Technician
- Architectural and Engineering Computer Aided Design
  - Architectual Specialization
  - Electronic Graphics Specialization
  - Interdisciplinary Specialization
  - Mechanical Specialization
- Automotive Technology
- Biotechnology
- Building Construction Technology
  - Construction Management
- Business and Technical Communications
  - Business and Government Communications

## Institutional Awards Academic Year 2007

(September 1, 2006 - August 31, 2007)

### Core Completers

The core curriculum is predicated on a series of basic intellectual competencies. ACC's core consists of 42-hours of general education courses in English, communications, mathematics, natural science, humanities, visual and performing arts, government, history, and an additional social and behavioral science.

When the 42-hour core curriculum is successfully completed, that block of courses may be transferred to any other public institution of higher education in Texas and must be substituted for the receiving institution's core curriculum. Students may or may not complete their degree or certificate requirements at the same time that they complete the core curriculum.

	<b>2002-03</b>	<b>2003-04</b>	<b>2004-05</b>	<b>2005-06</b>	<b>2006-07</b>	<b>03-07 % chg</b>
Core Completers	221	430	536	622	615	2500.00%

### Field of Study

Field of study curriculum is intended to facilitate the free transferability of lower-division academic courses among Texas public colleges and universities.

When an ACC field of study curriculum is successfully completed, that block of courses may be transferred to any Texas public college or university. The field of study curriculum is substituted for that institution's lower division requirements of the degree program for the field of study into which the students transfer, and the student shall receive full academic credit toward the degree program of the block of courses transferred.
